Welcome to Term 2!

Term 2 has kicked off in style!

The Autumn weather has been on our side and absolutely perfect for swimming and being on pool deck.

The end of Term 1 saw the swim season wrap up for our Geebung venue with Quilpie still open for public swimming through until the 29th of April.

With the heaters pumped up and the water temp at Everton Park a toasty 28 degrees it has made it that little bit easier to keep swimming straight through Term 2.

It has been great to see so many of our swimmers take advantage of our 50% off a second lesson promotion for Term 2.

If you haven't booked a second lesson yet it's not too late! Get in touch and we will do our best to find a spot for you.

The Commonwealth Games were a fantastic event to have in our own backyard this April.

This is a pic snapped of Connor Mitchel running through Chermside as part of the Queens Baton Relay.

Connor is a local swimmer who just missed out on qualifying for these games but is well on track for a future spot on the team. Connor has an AAA connection coming through learn to swim with Alina.

Just shows you the importance of good foundations in learn to swim and where swimming can take you.

What incredible results the Australian Dolphins produced.

It was a fantastic homework opportunity for our junior swimmers to see what dedication, passion and training can achieve.

Take 5 and have a read of what we have been up to in April and what we have planned for the rest of Term 2.

News from Quilpie

April saw the end of our learn to swim and coaching season.

Public swimming at Quilpie was still very much on the agenda as well as our fantastic Aqua classes.

We also hosted our last movie night for the season which was another great night at the pool for all that attended.

The pool officially shut the doors for the season on the 29th of April.

After a long, hot, busy and inspiring season I'd like to take this opportunity to give a heartfelt thanks to Quilpie Shire Council, parents, children and citizens of Quilpie for welcoming me to the community so warmly and making use of this amazing pool facility.

For me personally, the reason I am involved in the aquatic industry is seeing the individual progress of swimmers whether through their own training program or one of our AAA programs.

It is a joy to see little ones progress from having to be coaxed into the water to having to be coaxed out of the water when it's time to go home!

I so enjoy seeing older swimmers knock seconds off race times whilst improving their swimming skills and I love seeing adults participate in aqua classes improving strength and movement.

This is what fills my heart with happiness!

Finally, a big thank you to all the AAA staff that have helped throughout the season at different stages – MJ, Bec, Ash, Kacey, Nicola & Winnie.

I couldn't have done all the hours myself and I am grateful to all of you.

See you next season at Quilpie for more of the same with a few interesting additions.

Keep tuned to our social media platforms and our newsletter to see what I get up to over winter.

Take care and see you all on pool deck again soon.

Alina ☺

Easter Colouring Competition

We saw some fantastic efforts come through for our Easter Colouring competition.

It was a hard one to judge but we couldn't go past this entry from Josephine Gardiner who was our eventual winner.

Remember to check out our social media pages regularly to see future promotions and competitions.

Well done and a big thank you to everyone that participated.

AUSTSWIM Soak It Up Conference

On Sunday the 15th of April AAA staff from all venues took the opportunity to get catch up and attend the AUSTSWIM soak it up conference at Chandler Aquatic Centre.

Alina presented a well-received session to delegates on Infant Aquatics.

Professional development is a mandatory component of ongoing teacher and coaching accreditation.

The AUSTSWIM conference gave our AAA staff the opportunity to attend sessions and masterclasses furthering our knowledge and skills to bring back to pool deck for our swimmers.

There is absolutely no chance of us blending into the crowd with our yellows on.

It was a great day with Brissy and Quilpie coming together for a day of learning and networking with the best in the industry.
