NOV/DEC 2018

End of Year Wrap Up

The end of Term 4 and end of 2018 are upon us.

2018 has been another year of growth and change for AAA.

We have welcomed many new swimmers to our AAA tribe and we are all looking to continue to grow AAA in 2019.

The end of Term 4 and December pass by in a rush of activity and commitments.

Our wish for you is that amongst the busyness and planning for the new year special moments with friends, family and a few quiet moments to reflect on the year that has passed.

We have enjoyed working with our swimmers and their families this year and hope to see you all again in 2019.

Grab a cuppa, take 5 and have a read of what we have been up to this November/December.

News from Alina and Quilpie

A big month at the Quilpie pool with weather ranging from storms to dust storms.

For us out here the little bit of rain we had was most welcome.

Quilpie and district areas swimming carnival showcased some amazing achievements with great swimming all round.

The weather was cooler than previous years sitting around 38 degrees which made it much easier for those on pool deck assisting and spectating.

I conducted my annual First Aid, CPR and Bronze training with the Eromanga community.

I am heading to St George 10-14th December to help with their swim camp with a fellow aquatic industry colleague, Kattys from Woolloowin.

We had a fantastic movie night on the 17th of November watching A bug's life.

Our next and last movie night for the year will be Saturday the 15th of December – How to Train Your Dragon II.

We look forward to more movie nights in 2019.

Our first round of Squad Kits were delivered in November.

If you would like to order a kit, contact reception at any of our venues for details and to place your order.

Swimming lessons are just about wrapped up for the term as school finishes 7th December out here.

We will be running intensive swimming blocks over the holidays.

Our Christmas trading hours at Quilpie are as follows:

School Swimming Program

Early December we finished our school swimming programs.

Working with a school community to provide low student to teacher ratios gives AAA the opportunity to deliver a quality school program that mirrors that of private swimming lessons.

This carnival season we are really seeing the results of our AAA program come to fruition.

In the past week our AAA school swim team organised and directed junior and senior school swim carnivals.

It was a fantastic end to the swim block to see prep students compete in 12.5mtr out and back racing with Yr1 and up all racing over 25mtrs with senior students also racing 50mtr events.

Experienced teachers and school communities that recognise swimming as a skill for life has been the perfect recipe for producing fantastic results.

If you would like more information on how AAA can help run your school swim program, please give us a call. We love our school communities.

Swimmer of the Week Awards

We are all incredibly proud of our Swimmer of the Week awardees.
